Friday 19th March 2021

Dear Parents,

Parents' Evening: Monday 22nd March and Tuesday 23rd March

We will be using Teams for this Parents' Evening, which we hope will be a good platform to discuss your child's progress while we cannot invite you onto the school grounds. Please follow these steps:

- You should have already booked a time slot through Parent Mail
- On your chosen day, please log into Teams through your child's account
- Please join the meeting and wait in the lobby until the class teacher lets you in at your allotted time
- All appointments are 10 minutes long

We look forward to sharing your child's progress with you.

Note: It will be possible to join on two devices using your child's login details, if two parents/carers are in different locations.
