Dear Parents,

The dry weather has meant that the children have been out to play on the grass every day. We are such a lucky school to have so much open space for the children to enjoy. This year we have used it for running, PE and playtime as much as possible. Great to hear the children laughing.

No Fire Engine and Limousines please!

As the end of the school year approaches some parents like to treat their children by hiring special vehicles to pick them up from school on the last day. Can I please politely request that you do not do this. It causes embarrassment, humiliation and upset to children who are excluded from these very expensive rides. Staff often have to console children and deal with the fallout from friendships in the last days of term. Our neighbours rightly complain to the school about the chaos on Cransley Hill caused by large queuing vehicles and parking problems.

We will be marking the end of the school year for pupils with events and special day that everyone can take part in.

Uniform shopping

For your convenience we have moved our uniform supply system to Karlsports in Kettering. This means you will be able to order directly from them on line, have a delivery, visit in person to view sizes or click and collect. A flyer was sent earlier in the week but in case you missed it the details are below:

- www.karlsport.co.uk
