Friday 14th May 2021

Dear Parents,

It was so good to take Year 3 swimming this week. They really enjoyed their time in the pool and I was proud of their water confidence. Well done Children!

Swimming lessons have been delayed for all children, holidays in the sun playing in a pool have also been missed. Swim England are concerned that pupils may leave primary school unable to swim and this will be a lifelong disadvantage. I would ask all parents to please prioritise swimming lessons now that pools are open. It could one day save your child's life.

Office email address

To contact the school office for ANY enquires/questions/your child's appointments/your child going home with another parent etc please use the new email office@my-bps.co.uk This email is monitored daily by the administration team and they will get back to you as soon as possible. All emails for staff are available on the school website

Art in the school hall

Please don't forget to come along and see the Art in the hall next week on Thursday and Friday. See last weeks' newsletter for Year groups and times.

Children enjoying their learning:

Please click on the links below to view what the children in Years 1, 3 and 5 have recently been doing.

In **Year 1**, the have had a busy and exciting week in Mathematics learning all about different types of measures. We have been measuring weight using non-standard units, and we recorded our results into block graphs. We also had the opportunity to compare capacities using direct comparison.

In **Year 3**, the children have been getting into character using Hot Seating to help them understand the characters from Fantastic Mr Fox even more.

When Archie took up his place in the 'hot seat,' we found out a lot about the main character from this *fantastic* book. Thank you for a great question-and-answer session, Mr. Fox.

In P.E, we are beginning to put fitness exercises into a dance sequence. Great moves, Year 3.

In **Year 5**, the children have enjoyed planting a wild garden. We look forward to sharing photos, as the flowers come into bloom.
