Dear Parents,

Covid cases in the school

I am still concerned about the cases of Covid in school but, I have seen a slight improvement in the last few days. Children are now beginning to return to school after isolating due to Covid.

- We have no new cases in Year 6.
- Year 5 –transmission has now slowed and we have had no new cases for 4 days,
- 2 cases were confirmed in Year 4 for children who were isolating- no further new cases.

A big thank you to parents who have been braving 'home education' in Year 5! Thank you also to parents who have been keeping siblings at home. This has definitely slowed transmission across the school.

We need to remain vigilant as new outbreaks can occur quickly. Thank you for your support and help during this challenging period.
