Friday 2nd October 2020

Dear Parents,

School is going really well with routines now settled and children busy throughout the school day. I enjoy standing at the school gate and watching the children run into school. Mums and Dads often stand clutching lunch boxes and water bottles as they wave goodbye to the runners, last week I had 10 water bottles, 2 lunch boxes and a violin to carry. This is a lot for an old feeble lady! Children please remind your parents to give you your stuff. Thanks!

Rolling Admission

This week as the weather has turned wet and cold I have been trialling a 'rolling' admission so children come in to school as they arrive. This has been working well, it lessens congestion on Cransley Hill and reduces groups of adults congregating together where the virus could spread. It has proved popular with children who do not want to stand outside in the rain.

Going forward:

Key Stage 2 children and siblings will be admitted between 8:45 and 9:00

Key Stage 1 children and siblings will be admitted between 9:00 and 9:15

Key Stage 2 children who arrive after 9:00 will be marked as late.

Key Stage 1 children who arrive after 9:15 will be marked as late

I hope this is helpful to parents and children.

Year 4

In Science, we have been learning about the digestive system and the organs involved in this process. We are now looking closely at our teeth and had great fun making models of our jaws from clay. Follow the link below to see if you can spot incisors, canines and molars:
