Dear Parents,

Queen Elizabeth II

We are remembering the Queen in school today. We have held an assembly to say 'Thank you' for her life and work. In class the children have been given the opportunity to talk about and reflect on this historic moment in the life of the nation. Look out for the children's drawings in the classroom windows when you come to pick up today, they celebrate the Queen's long life and work. Each class will have a book of memories to write a comment and keep the pictures. These will be on the veranda next week so you can add your comments. The book of memories will be kept in the school archive.

First Week of school

Thank you for the prompt arrival to school this week. I have only recorded 3 children late in the school register. This is a big improvement and a great start to the new school year.

Curriculum Maps:

So you can be involved with your child(s) academic year please review their Curriculum Map. This will allow you to see what topics are being taught throughout the school year. Click on the link below for each year group:

Our Neighbours

Our neighbours are again asking politely for your co-operation in not blocking their driveways. Residents of Ivy Deane Terrace and West Street pay for the maintenance of this private road. You must not park on this road. They are in consultation with a parking company who will issue tickets to cars not registered to these addresses.

Early Birds and Dawdlers Charges

Due to increasing staff costs, we have had to make the difficult decision to increase the cost of the clubs to £3.50. We have not raised the cost since the club opened and felt this was a fair increase.

Open Mornings - New Reception class September 2023
