Dear Parents,

#### Building Works

This week the Builders have arrived on site to start the long awaited building of a new classroom for Year R. It was very exciting this week to see the diggers and dumper trucks arriving to begin the work. It is a big project and builders will be on site until March 2021.

I have spoken to all the children about how to be safe while the building work is taking place. The work will all take place behind fences and should cause minimal disruption to the teaching and learning.

I will be posting pictures on the school website so you can see how the work is progressing. When we are allowed I am looking forward to welcoming you to school to see the finished building.

#### Rolling Admission

This has worked smoothly for the last 2 weeks; children are arriving in small groups and coming in quickly.

Key Stage 1 parents have asked if they can bring their children at the earlier 8:45 because of work commitments and siblings at secondary school. Yes, as the rolling admission is working well, please come earlier if it suits you and your child.

I hope this is helpful to parents and children.

#### Messages at the end of the School Day

Mrs Issitt would be very grateful if you could please ring the school before 2.15pm if you are informing us of someone else picking up your child/ren or any other going home related messages. We understand emergencies may crop up but the end of the school day is very busy with messages to get around the school and we start handing these out at 2.30pm to classes as they get ready to leave. If phone calls come in later it means a mad dash down the corridor before the class is sent home during which time the office phone is left unattended for any calls.

#### Yr 6 Secondary School Applications

A reminder that the closing date for Secondary School applications is 31<sup>st</sup> October 2020.

## FOBS

The FOBS AGM (annual general meeting) will be on Monday 12<sup>th</sup> October at 7.30pm via zoom – please text Del (secretary) 07957 398437 with your name and email address for details how to join by Sunday 11<sup>th</sup> October.
