Help for parents for online safety

The online world is posing an ever-increasing risk to children, and it is important that schools, parents and carers work together to take an active role in teaching children about online dangers. Learning how to act safely when using the internet is an incredibly important part of safeguarding our children.

Parking

I have recently had a call from Louise James from Northamptonshire Police. Traffic issues have been reported by members of the public and yesterday after school the police drove by to observe the problems.

As we have been aware for a long time, the officers observed several violations of the highway code and asked if we would be able to add a note to the newsletter stating that future random drive-bys will take place and we have been advised that any violations will be ticketed in future. This includes parking on the pavement, parking on private roads and zig zag lines etc.
