Tuesday 3rd November 2020

Dear Parents,

Welcome back to the new school term. As we enter into a second lock down it is vital that we keep the children in school, safe and well. We are aiming to stay open, you can help keep the school Covid free.

Awaiting a test result for Covid?

Do not send your child/ren into school until you have a negative test. Last term parents who had symptoms sent their children in for up to 4 days while they awaited results. When the results were positive they then had to remove their children at short notice.

Hanging about for a chat on Cransley Hill?

Much though we all need social contact as we go into Lock down again, I am asking parents to have a chat on line or on the phone. Please move on and be a good example to the children.

Pick up from the school One Way System

A reminder that children will be dismissed from the playground. I have marked out 2M blue dots as a guidance to spacing as you walk into school. Please give other adults space. Children will be dismissed to adults at the front of the line so please be patient and await your turn.

Have you forgotten?

Children need a named water bottle and PE kit in school. Please no back packs or items brought in from home. If you arrive at school and realise you have forgotten something please just send it in the following day. Thank you.

Poppy Appeal In a Covid Secure Way

We will be supporting the Poppy Appeal as usual this year. Children can bring cash in for the item they require and Mrs Issitt will go round the classrooms each morning so the children can buy their items. We would be very grateful if you could please send in the correct amount as we will not be handling the money, the children will be popping it straight into the poppy collection pot.

Suggested donations for each item are:

Paper Poppy – at your discretion.

Zip pull – 50p

Reflector – 50p

Silicon wristband - £1.00

Snap band - £1.50

Christmas cards

In keeping with not bringing items in from home we respectfully request that the children do not bring Christmas cards/presents into school at any stage to hand out to others.

Diary Dates

Children in Need- Friday 13th November

Close for Christmas holidays- Friday 18th December

Yours Sincerely,

Claire Shortt
Headteacher
