Friday 21<sup>st</sup> March 2025

Dear Parents,

Thank you to all the mums, dads, siblings and grandparents who came to see the children's science and technology work in the hall this morning. It was a fabulous turn out - I have never seen the hall so full. The children really enjoyed sharing their work with you.

### **Science Week**

The children have really enjoyed Science Week. It kicked off with a brilliant assembly from Atomic Tom, who made vortex rings float through the school hall causing lots of excitement. This was followed by all children taking part in a class workshop. In addition, the children completed a Technology Challenge building a variety of boats, tunnels, towers and bridges. It has been a positive week of learning about the world we live in.

### **Easter Church Service - Thursday 3<sup>rd</sup> April am**

At the end of this term the children will be visiting our village church for an Easter service. If you wish to withdraw your child from this service, please let class teacher or office staff know in advance.

### **Poppy Appeal 2024**

Thank you all for your generosity, £265.86 was raised in school for this great cause last November.

### **Lost Property**

A reminder that the black lost property bin is located outside the computer suite (Early Birds/ Dawdlers Club) at the end of every school day. If your child has lost anything please do check there. The lost property bin is currently very full - so do check for any items you are missing. There are a number of coats and water bottles now. Any items not claimed by Friday 4<sup>th</sup> April will be disposed of.

If you have any unnamed items, please feel free to borrow a sharpie from the school office to add your child's name or initials - this will speed up returning items to the children.

## Dates for the Year Ahead

### March

Friday 28<sup>th</sup> Year 5 Class Assembly 9.10am

**Services and support available to families in North Northants**

Family Hubs in North Northamptonshire are community-based and designed to support families with children from birth to 19 years old (or up to 25 if they have special educational needs or disabilities). They provide a central point for accessing a wide range of services and support, including mental health resources, parenting advice, infant feeding support, and early learning programmes. The goal is to give children the best start in life and to support families throughout their development journey.

Family Hubs bring together various services under one roof, making it easier for families to find the help they need. They work in collaboration with local authorities, health partners, education settings, and the voluntary and community sector to ensure comprehensive support is available.

Please take the time to explore the Family Hubs website
