

Friday 9th May 2025

Dear Parents,

Your help please

We strive to keep the children and visitors to the site safe. For this reason we have the following rules and we ask for your help in ensuring a safe site at busy time such as dismissal, Sports Day and Gala.

- Scooters or bikes must not be ridden on the school paths or playground. Collisions have happened and babies and older visitors knocked over. The children know this rule and we are asking that you remind them and be considerate of others.
- To prevent falls and accidents - The trim trail must be supervised by a member of Broughton staff - younger children, visiting teenagers or pupils should not play on it after school or during events. Please help us by keeping this rule.
- Bikes and toys outside Year R - The use of these bikes and toys must be supervised by a member of staff. Please do not allow pre-school children to take them out.

Thank you for your co-operation.

Services and support available to families in North Northants

Family Hubs in North Northamptonshire are community-based and designed to support families with children from birth to 19 years old (or up to 25 if they have special educational needs or disabilities). They provide a central point for accessing a wide range of services and support, including mental health resources, parenting advice, infant feeding support, and early learning programmes. The goal is to give children the best start in life and to support families throughout their development journey.

Family Hubs bring together various services under one roof, making it easier for families to find the help they need. They work in collaboration with local authorities, health partners, education settings, and the voluntary and community sector to ensure comprehensive support is available.

Please take the time to explore the Family Hubs website
