

Friday 20th June 2025

Dear Parents,

The summer term is very busy with events every day until term ends. Thanks for your help in ensuring the children enjoy all the activities.

Cup of Kindness

This week's winner is from Year R:

Sponsored run – Thursday 26th June

A reminder that the children will be taking part in the annual run next week. Funds raised will go to The Friends of Broughton School charity (FOBS). The money raised pays for extra events and equipment for the children that the school could not otherwise afford, such as the annual trip to the pantomime before Christmas. You do not have to contribute - your child can still take part.

- Year R, 1 and 2 (Key Stage 1) will run a mile around the school field.
- Year 3, 4, 5 & 6 (Key Stage 2) will be running a marshalled route on Northampton Road.

The Just Giving page details for each class are detailed below if you wish to contribute electronically. Please consider adding Gift Aid if you are a UK taxpayer, at no extra cost to you. You can send in cash with your child - if you would like a sponsorship form for this, that the children can complete, please contact the office for one.

Circus Day

We had a great day with Mike, a juggler from a London circus, who started the day with an exciting assembly and then worked with each class, teaching circus skills and tricks. We practised with diabolos, ribbons, unicycles, pedal racers, juggling balls, African rhythm sticks and spinning plates. It was great fun!

Services and support available to families in North Northants

Family Hubs in North Northamptonshire are community-based and designed to support families with children from birth to 19 years old (or up to 25 if they have special educational needs or disabilities). They provide a central point for accessing a wide range of services and support, including mental health resources, parenting advice, infant feeding support, and early learning programmes. The goal is to give children the best start in life and to support families throughout their development journey.

Family Hubs bring together various services under one roof, making it easier for families to find the help they need. They work in collaboration with local authorities, health partners, education settings, and the voluntary and community sector to ensure comprehensive support is available.
