Friday 6th March 2026

Dear Parents,

Science Week

The whole school enjoyed Science Week, learning about the world we live in. We also had a visit from Atomic Tom and Nuclear Natalie, who took a special science assembly and then did workshops with every class, which were great fun! *Click on the link below to see photos:*

World Book Day

Not just a day! Children have enjoyed lots of activities in class, in assemblies and in the library this week. Real books were shared by teachers and children. There was a buzz of fun and excitement.

Services and support available to families in North Northants

Family Hubs in North Northamptonshire are community-based and designed to support families with children from birth to 19 years old (or up to 25 if they have special educational needs or disabilities). They provide a central point for accessing a wide range of services and support, including mental health resources, parenting advice, infant feeding support, and early learning programmes. The goal is to give children the best start in life and to support families throughout their development journey.

Family Hubs bring together various services under one roof, making it easier for families to find the help they need. They work in collaboration with local authorities, health partners, education settings, and the voluntary and community sector to ensure comprehensive support is available.

Please take the time to explore the Family Hubs website
