Friday 17th April 2026

Dear Parents,

I hope you all enjoyed the Easter break.

Summer uniform

As the weather begins to change, we know some children may be keen to start wearing summer dresses and shorts to school. However, as April can still be quite chilly, we would like to encourage children to continue wearing their winter uniform until after the May Bank Holiday.

Please ensure they are still dressed appropriately for cooler temperatures by bringing coats, jumpers, and wearing long socks or tights.

Thank you for your support in helping keep everyone warm and comfortable.

If you are struggling because your child has had a sudden growth spurt don't forget that FOBS have 'Pre-Loved' school uniform for sale at £2 per item. All donations of outgrown logo items in saleable condition will be gratefully accepted by the school office.

Early Birds & Dawdlers

We wanted to let you know that from September 2026, the cost of our before and after school club will increase by £1.00, bringing the new price to £4.50 per session. This decision has not been made lightly but follows last year's extension to our opening hours and the continued rise in staffing costs.

We remain committed to providing a safe, supportive, and enjoyable environment for all children in our care, and we truly appreciate your understanding and ongoing support.

Services and support available to families in North Northants

Family Hubs in North Northamptonshire are community-based and designed to support families with children from birth to 19 years old (or up to 25 if they have special educational needs or disabilities). They provide a central point for accessing a wide range of services and support, including mental health resources, parenting advice, infant feeding support, and early learning programmes. The goal is to give children the best start in life and to support families throughout their development journey.

Family Hubs bring together various services under one roof, making it easier for families to find the help they need. They work in collaboration with local authorities, health partners, education settings, and the voluntary and community sector to ensure comprehensive support is available.

Please take the time to explore the Family Hubs website
